HY-PRO[®] Taps

Promo Code: 2026HYT15

HY-PRO[®] Taps are designed for tapping hardened steel such as 4140, 4340, H-13, D-2, and 1055 up to HRC 35 as well as a variety of stainless steel. OSG's unique geometry along with our premium vanadium material provide exceptional tool life with unequaled consistency. Our wide range of H-limits reduce the need for ordering special taps.
